

Spong and Babb Head Local Red Cross Drive

Grant Spong, vice president of industrial and public relations at Quaker Industries, Inc., and Jerrell S. Babb, manager of the Antioch office of Illinois Bell Telephone Co., have been named to leadership positions in the industrial portion of the Red Cross fund drive campaign in Lake County, according to John H. Conolly, Fund chairman for Lake County.

Spong will be responsible for organizing the Red Cross fund drive in all industries in the Antioch-Round Lake-Grayslake-Zion area.

Spong has served as vice chairman of the Red Cross chapter in Youngstown, Ohio, and was fund chairman of that chapter in 1956-57. He has served on the Youngstown Mayor's Human Relations Committee, board of directors of the Boy Scouts of America and the Community chest. Spong was also a member of the Youngstown Chamber of Commerce and the Personnel Association there, and was a member of the advisory board of Evangel College, Springfield, Mo.

Babb is Antioch Industrial chairman of the fund drive. He will be responsible for organizing the Red Cross fund drive in local industries.

Preston J. Reckers, Jr., 406 First St., Red Cross business fund chairman for Antioch, will work with Babb during the March campaign.

Spong and the four industrial chairmen in his area, J. Babb, Antioch, S. A. Heppner, Round Lake; Ray Deatherage, Grayslake, and Ron Stalib, Zion, met at Lorenz's Smart Country House last Wednesday to organize the fund drive.

The Red Cross fund drive, with a goal of \$92,000 for

Jerrell S. Babb

Grant E. Spong

Lake County, will be held in March. The goal for collections from Antioch industries is \$1,000.

AFS Students Get Glimpse of College Life

Miss Beatriz Eugenia Munoz-Castro of Colombia, who is attending Antioch High School as an American Field Service exchange student, has been invited to spend the weekend of February 26-27 at Lake Forest College.

A one-hour language test for American Field Service exchange students has been stretched into a weekend of fun and sociability at Lake Forest College.

When the International Relations Club and the AFS/US Returnees on LFC campus learned that approximately 50 foreign students in the Chicago area would take a general language test at Lake Forest on Saturday, Feb. 26, they decided that this would be a good time to give the AFSers a first-hand look at an American college campus.

So far, everyone invited—and this includes students from 22 different countries who are attending high school in communities stretching from Waukegan to Park Ridge and west to Woodstock—has enthusiastically accepted.

"I think they are all interested in our colleges and for many of them contacts have been restricted to high school circles and activities," says Edna Lewis of Madison, N. J., who is helping plan the get-together.

The test, which is being studied by the AFS in New York for possible use in the international program, will be the first thing on the schedule, slated for 2:30 p.m. Saturday. Then the visitors will be free to enjoy a series of events planned for them.

VOL. LXXX. NUMBER 35

Murrie Unopposed As County Bd. Chairman

The election of Lloyd E. (Red) Murrie, Antioch township supervisor, to the position of chairman of the county board seems as certain as the proverbial "death and taxes." And along with his coming election to the office, "Red" has announced that Antioch Township will open

offices on Main Street in Antioch. The new office, located at 920 Main in the store formerly occupied by Rockow's Rainbow Cleaners, will house the offices of the county supervisor, the township clerk and the township assessor. The township assessor is al-

ready operating from the Main St. office. However, March 1 is the official date for the opening of the office. The township office will be open six days a week, Wednesday and Saturday from 9 a.m. to 12 noon, the other days from 9 a.m. to 5 p.m. Mrs. Marcella Jesse, who

has worked in the assessor's office for seven years, will constitute the staff at the new township office.

The town board, Murrie said, has been discussing opening a town office for some time. More room is needed for the assessor's records, and a central office for records and business of the township officials is needed.

His election as chairman of the board makes the need for a central office more necessary, Murrie said. The chairmanship is a full-time job and he will be at his office in the county courthouse, Antioch residents can contact him there, or get information at the local office. Mrs. Jesse will be a Deputy Registrar and will be able to register voters at any time.

Murrie's candidacy for the seat of chairman of the board is uncontested. In any event, he says he has been assured of 25 votes. Nine-teen are needed for election.

The chairman is elected for a one-year term. It has been traditional on the board a second year. Tradition against a third term has also gone unbroken.

Murrie has served eleven years as Antioch supervisor. He is the first Antioch supervisor to be elected chairman of the board.

As chairman of the board, Murrie says, he hopes to place more emphasis on the Public Works Department. "A county-wide sewer system, I feel, is a must at some future date," he said. "It will probably be slow in coming, but we can see the need for it now."

As chairman of the board, he said, he will try to operate the county as he has the township—"don't spend more than your income." "I intend to keep a tight rein on expenditures," Murrie said. "I know it won't be easy. Someone's always coming up with some unexpected, 'absolutely necessary' added expense."

As chairman of the county board, Murrie will also be chairman of the Liquor License committee. He is at present a member of the Judiciary committee, which has been put in control of the Merit Commission of the sheriff's office. The Judiciary committee will meet Friday to decide whether or not the completed rules of the Merit Commission should be brought before the board March 8. It is at the March 8th meeting that the board chairman will be elected.

Lions Seek Best Bridge Players

The third annual Bridge tournament sponsored by the Antioch Lions Club will start March 14. Official entry blanks are available at the Antioch News office, and all entries must be in by March 11.

The committee in charge of the tournament are Dr. Fred Bobzien, Howard Shepard and Elmer Eberman. Final winners of last year's tournament were Mr. and Mrs. Elmer Eberman, who defeated the team of Mrs. William Brook and Mrs. Lloyd Murrie to win the trophy.

Rules of the tournament are listed elsewhere in this paper. Rules for this year's tournament are the same as last year.

Residents of Antioch, Lake Villa, Salem and Trevor Townships are eligible to enter the match.

Progress of the tournament can be watched in the Antioch News window again this year. A bracket board showing all the names of the teams will be in the window and progress of the matches carried each week.

Start Filing Petitions For School Board

Wednesday, February 23, was the first date for filing petitions of nomination for both the Antioch High School and Grade School boards.

With two vacancies on each of the boards, only one petition has been taken out at the Antioch Grade School. Raymond E. Enzenbacher, Rt. 3, Box 153, Antioch, filed his petition Wednesday.

The terms of Leslie Sorensen, president of the board, and Elroy Anderson, secretary, both expire in April. Mr. Sorensen said that at the present time he did not plan to run again. He has been a member of the board for six years, four years as resident. "I'd like to let someone else have the responsibility for a while," he said.

Information on the number of petitions taken out for High School board vacancies was not available. However, petitions for the nomination of John Blackman and Robert Dennen have been circulated. Both are members of the board who are up for reelection.

The last date for filing petitions for the grade school board is March 18. Petitions are available at the school office from 9 a.m. to 4 p.m., Monday through Friday.

Last date for filing petitions at Antioch Township High School is March 19. Petitions may be secured and filed at the High School or at the home of Roger Prosser, secretary of the board.

Students Learn Politics First-Hand

Nineteen Carroll College political science students are learning politics first hand by campaigning for various political offices.

The students have joined the political campaigns of three candidates for mayor, three candidates for county judge and one candidate for city attorney.

The candidates have promised to take the students "all the way along the campaign trail" to give them a first hand experience in every aspect of political campaigning.

One of the students taking part in the project is Marilyn Ann Gras, Rte. 4, Antioch.

The Lake Region Homemakers recently elected officers at a meeting held at the home of Mrs. Edward Rowley. Left to right, Mrs. Richard Wells, secretary; Mrs. Leo Fox, treasurer; Mrs. Everett Queen, second vice chairman; Seated, Mrs. John Heick, president; Mrs. Gerald VanderMeer, second vice chairman, was absent.

Homemakers Elect New Officers

The February meeting of the Lake Region Homemakers was highlighted by the installation of new officers. The new slate includes: Mrs. John Heick, president; Mrs. Gerald VanderMeer, first vice president; Mrs. Everett Queen, second vice president; Mrs. Richard Wells, secretary; and Mrs. Leo Fox, treasurer.

Injured in Fall From Parallel Bars

Michael Mitchell, 18, of Rt. 1, Antioch, was injured in a fall from the parallel bars at Antioch High School, Tuesday afternoon and was taken to St. Therese Hospital by the Antioch Rescue Squad.

Young Mitchell suffered a back injury when he fell from the bars. In other Rescue Squad calls, Peter Grossi, 271 Bridgwood, Antioch, was taken to Victory Memorial Hospital February 16. George C. Eckert, 76, of Rt. 1, was taken to Victory Memorial Feb. 22.

Mayor Proclaims Girl Scout Week

With a group of girls from Antioch's Brownies and Girl Scout troops looking on, Mayor Ray Toft signed a proclamation declaring March 6 to 12 as Girl Scout Week in Antioch.

Eight Girl Scout and Brownie troops in the Antioch area were represented by the girls who gathered to watch the signing of the proclamation. Loretta Reband is from Brownie Troop 100; Shellie Green, Brownie Troop 180; Adele Girten, Brownie Troop 92; Patty McDonald, Brownie Troop 138; Alice Burnette, Junior Troop 144; Ronna Andrews and Debby Toft, Cadet Troop 213; Margaret DeVries, Senior Troop 110 and Kathy Kopacky, Junior Troop 43.

There are over 400 girls in

Scout troops in the Sequoyah Neighborhood, which comprises Antioch, Channel Lake, Lake Villa, Venetian Village, and all the Antioch area.

The Mayor's proclamation paid tribute to Girl Scouts of the U. S. on its 54th anniversary and hailed the "constancy of purpose" which has guided the lives of more than 22 million members since the organization's founding on March 12, 1912.

Mayor Toft called on all citizens of Antioch to give Girl Scouts their "continued interest, cooperation and support, so that increasing numbers of girls may benefit from a program which so inspires that such promises as their Promise of Service can be freely and with whole heart given."

Bong May Be College Site

Bong Air Base, only a few miles from the Illinois-Wisconsin line north of Antioch, is being considered as the site of a four-year college.

The Tri-County Education Committee is pushing for location of the college at Bong. Marlin Schnurr of Wilmett is chairman of the group.

Other locations being considered are Kenosha and Racine. All the sites were viewed by a selection committee which visited the locations February 10. In all eight sites are under consideration.

Proponents of Bong point out that locating the college on the land formerly intended for an air base would remove no property from the tax rolls; fifteen miles of sewer and drain pipes remain in the ground, plus two deep wells and some road bases; that the 1,000 acres of land leaves the college plenty of room for future expansion, and that it would be easier to reach by car than city-based sites, where traffic is already heavy.

Col. Charles Lancaster, commander of the Bong base before construction was stopped in 1950, accompanied the group on the tour of inspection. He said the area met manpower, transportation housing, zoning, commercial, community and soil requirements of the Air Force. Lancaster said many of the reasons for choosing the area for an air base applied to the university site decision.

Tryouts For On Borrowed Time

Tryouts for "On Borrowed Time" to be directed by Josef Hunley will be held on Saturday, February 26, at 8:00 p.m. at the P.M.&L. Theatre, Main St., Antioch.

This play will be given on April 15, 16, 22 and 23 and is the last of the three season shows to be presented by Palette, Masque & Lyre, Inc. Playbooks are available to be read at the Antioch Township Library.

Antioch GOP Club Elects Officers

The Antioch Township Republican Club elected officers for the next year at a recent meeting. Herbert Horton was re-elected president; Eugene Zannini, second vice president; Harry Wieland, secretary; Elmer Eberman, treasurer; and Ole Mathison, sergeant-at-arms. The new officers will be installed at the annual dinner, party scheduled for May 28 at Lorenz's Smart Country House.

AWOL Soldiers Picked Up By Antioch Police

Antioch police picked up two soldiers AWOL from Fort Knox, Ky., Tuesday and turned them over to MP's from Fort Sheridan for return to their base.

William P. Coon, Antioch, and John Stevenson, Indiana, admitted to Antioch police that they were absent without leave from their army base.

Antioch police who knew young Coon, noticed that he was around town and knew that he was in the army. They had no report that he

was AWOL, but picked him up for questioning. Stevenson was with him, and the two admitted that they were AWOL. The length of time that they had been absent without leave was not established.

Police Chief Heick called Fort Sheridan. There was no report on the two soldiers there, but officials at the army base called Fort Knox to check. They were informed that both young men were absent without leave.

Girl Scouts and Brownies from the Sequoyah Neighborhood watched Mayor Ray Toft sign the proclamation for Girl Scout Week. Left to right, front, Loretta Reband, Shellie Green, Mayor Ray Toft, Patty McDonald, Adele

Girten, Alice Burnette. Back row, left to right, Ronna Andrews, Debby Toft, Sharon Morgan, Margaret DeVries, Kathy Kopacky.

Soldiers Get A Break

With or without a declaration of war, Congress decided to give American soldiers a break and pass legislation according to them benefits such as soldiers who fought in other wars have received.

Congress went a step further than President Johnson intended and extended the benefits to soldiers who had served since January, 1955, when the bill for Korean veterans lapsed.

Certainly it's time that soldiers now serving in the very real war in Viet Nam received the same benefits as soldiers of earlier wars have received.

The benefits are going to cost a lot of money, at a time when it would seem that the government had already planned more expenditures than it could afford. But if some of the other programs must suffer to finance this one, it will still be worthwhile.

The beneficiaries of this bill are largely the great bulk of taxpaying Americans who will support the program. If a few undeserving soldiers benefit from it, this happens in any large government program.

A good many soldiers who haven't served in Viet Nam deserve something in the way of benefits, too. The soldiers who "sweated it out" along the Berlin Wall, with open war often an ominous threat, are worthy of consideration. Even the soldier disabled by accident or disease in an army camp, exposed to unfamiliar dangers and conditions, deserves recompense.

If we want to fight poverty, what better place to start than with the discharged soldier who needs more education to get a good job? If we want to dispense free medical care, who deserves it more than the young man who has had to give up a job and a way of life to serve his country?

News of the passage of the bill will probably be the biggest morale-booster our armed forces have had for a long time.

Proponents of a "complete" clean Lake County who hailed the recent gambling raids by state police as a major blow to crime must be surprised by the reactions developed by the raids.

Instead of throwing up their hands in horror at the presence of pinball machines, lucky jars, and punchboards most people seem to regard the raids as an invasion of privacy or as politically motivated efforts to embarrass the Republican Party in Lake County and particularly the present administration in the Sheriff's office.

Sheriff Charles Larson, instead of emerging as the villain of the piece, is gaining sympathy even among those who are backing Captain Harold Scheskie in the Sheriff's race.

It is hard to convince people that the nickels and dimes they are risking against Joe, the friendly neighborhood pub-keeper, form a river of revenue for the crime syndicate.

It is difficult to sympathize with the state's efforts to stamp out gambling when the state itself adds new dates to the gambling casinos at Arlington Heights, Homewood, Cicero, and other locations where the bangtails run with state sanction, approval, and financial aid.

It is ridiculous for the state to say that pari-mutuel betting at Arlington Park contributes to improvement of the breed of horses.

The hypocrisy of the state's position is so apparent it is difficult to get excited about the penny ante operations in individual taverns and restaurants even if you accept the fact that part of the money going into each pinball machine finds its way into the crime coffers of the syndicate.

There was some thought expressed after the announcement last week by Truman (Snapper) Gerretsen, of Fox Lake, that he would be a candidate for County Clerk that he was doing so without the blessing of incumbent Gar Leaf.

Leaf's retirement announcement carried no suggestion that he would support a member of his staff for the office, and Gerretsen's statement of candidacy offered no clue that he had the boss' support.

Any question about Leaf's position was apparently erased, however, when he started escorting Gerretsen to downtown Waukegan restaurants and introducing him as "the next County Clerk."

You can label as "smoke screen" speculation about Sabonjian running for sheriff or Waukegan City Clerk Howard Guthrie entering the race for County Clerk.

The two officials have found homes where they are and the county posts offer little in the way of added remuneration or prestige to make a change worth the effort.

County Chairman Robert J. Milton could wind up dominating the Republican ballot in his precinct if he persists in his plans to seek the GOP nomination for County Clerk.

The veteran party leader from Lake Bluff is certain to be on the ballot for re-election as precinct committeeman and he is also expected to seek the post of representative committeeman in the 31st legislative district.

In addition Milton has indicated he will seek election as State Central Committeeman for the new Congressional District so he could conceivably appear on his home precinct ballot four

Your Congressman Reports....

By Cong. Robert McClory

Many members of Congress are wondering whether the President helped or hindered the proposal to extend the terms of U. S. Representatives from two to four years when he included this subject in his State of the Union Message.

It should be recalled that the President recommended a four-year term for Members of Congress to commence in 1972, such terms to run "concurrent with that of the President."

Congressman Frank Chelf of Kentucky, original sponsor of the Constitutional Amendment, had proposed a four-year term for Members of Congress to be staggered—with one-half of the Members being elected every two years. In this way the effect of the Presidential campaign would not influence the election of more than one-half of the Members of Congress at any one time.

There is a strong feeling, shared by this Member of Congress, that the President's coalition should be trimmed and that the Congressional races should be divorced as far as possible from the National election. Such a result might be achieved by extending the terms of U. S. Representatives to four years and by providing that such elections should occur in the off-year—that is, in the year when the people are NOT electing a President.

As reported earlier, the President's recommendation for a four-year term for U. S. Representatives represented adoption of a position already popular in the U. S. House and Senate. During the First Session of this Congress more than 250 House members indicated their support for the four-year term proposal. Only 41 had expressed opposition. A large percentage of the Senators had also expressed approval. This strong support, of course, was in behalf of the staggered term proposal by Congressman Chelf. Now the subject is very much up in the air and the outcome in greater doubt than before. In any event, the issue will be resolved during this Session of the Congress.

Being a Constitutional Amendment, the proposal will require the approval of two-thirds of the Members of the U. S. House and Senate before being submitted to the State Legislatures for ratification. Thereafter, it will become part of the Constitution only if approved by three-fourths of the state legislatures.

Some advantages which would flow from a four-year term are (a) a reduction of election and campaign expenses, (b) increased availability of time for legislative work and service to constituents, and (c) inducement for making decisions reflecting the national interest in contrast to local pressures.

These arguments, of course, are countered by (a) a desire for U. S. Representatives to be more directly responsive to the Congressional District's electorate, (b) the expectation that more frequent elections result in closer communication with constituents, and (c) the opportunity for early replacement of a Representative.

Despite his position as chairman of the Central Committee Milton cannot expect a "free ride" for the state committee post and there is a report that Max Wildman, another Lake Bluff resident, will be a candidate for the spot.

And Cong. Robert McClory, who apparently will be unopposed as a candidate for reelection, will almost certainly back a candidate for the state party job and it is unlikely it will be either Milton or Wildman.

The Republican Central Committee meets tonight (Thursday) to vote on endorsing county candidates and indications are the issue will be buried for this year, although the funeral is apt to be a noisy one.

Fractured Flickers

Earl and Bernice Pape hosted a fun evening recently. They requested their guests to come similarly att-

representative who is unfit or unresponsive to the public demands.

While there may be some charges that Members of Congress are interested solely in extending their own terms of office, this argument does not seem to be a valid one. In the first place, the Constitutional proposal would not become effective until long after the present terms of the incumbent Members of Congress have terminated. It should be recalled also that more than four-fifths of the present Members of the House have served four years or more and most House Members serve for extremely long periods of time, notwithstanding the biennial elections.

The primary consideration of Members of Congress and the public on this and all other issues should be the public benefit which might flow from such a constitutional change.

A TIP FOR THE SAFETY COMMISSION? Out in California, highway accidents have been cut by 27% by the use of "Botts Dots."

"Botts dots," invented by a man named Botts, are slightly raised lane markers. They have been glued to the centerline of California roads with epoxy glue.

The raised dots make centerlines easier to see, especially at night. Drivers can also hear and feel the dots under their wheels if they veer toward the wrong lane. Reflective markers are being mixed with white ones along California highways. They would also be a tremendous aid, I should think, if used to outline the edge of the pavement.

WHAT PRICE BAD ROADS? Harry Stern, who is a member of the Lake County Safety Commission, pointed out a few relevant facts last week about safety on Lake County highways.

There was quite a bit of talk last fall about abolishing the Safety Commission "because it's useless anyway." And some time ago the Safety Commission wrote some letters to the State Highway Department pointing out that the shoulders of Lake County's state highways were in dangerously bad condition.

The letter raised quite a furor. The state made a sur-

vey and announced that only 5% of the shoulders were in bad condition, a very good record, it said.

"Well," says Harry, "That 5% reared up and killed a couple of kids recently." He referred to the accident on Grand Avenue, near Edie, when two children were killed when the car driven by their mother ran off the road, she lost control and the car veered across the highway and hit another car.

True, we can't expect the Safety Commission to accomplish much if their suggestions are ignored. Maybe all the shoulders can't be kept in perfect shape, but every bad spot that's repaired is one less hazard—maybe the spot that will cost someone his life.

The state is short of funds for highway improvement now, it has been announced. And traffic fatalities in Lake County since Jan. 1 have occurred at a frightening pace. Which led Harry to wonder out loud if the money spent on raiding some 60 spots in Lake County for gambling equipment wouldn't have been put to better use if spent on highway improvement.

The Old Scouter Says

THE SPONSORING INSTITUTION IN SCOUTING

People in religious bodies sponsor 60,509 units. People in civic groups sponsor 38,240 units. People in schools and P.T.A.'s sponsor 27,882 units.

All Scouting units belong to these sponsors. The sponsoring institution applies for a charter annually to use the Boy Scout Program. When applying for a charter the sponsor agrees to provide an institutional representative and a Committee to direct the Scout program. The institutional representative is responsible to the sponsor for the entire operation of the program. He is also a voting member of the District and Council Committee. The Unit Committee has certain responsibilities to meet.

1. Program
a. Become familiar with the policies and regulations of the Boy Scout Movement by taking training.

b. Assure every Scout the opportunity for a year-round program.

c. Approve a program developed by the junior leaders council.

2. Facilities
Provide adequate and safe facilities for the unit to meet, with the time and place of the meeting reserved for the unit on a regularly scheduled basis.

3. Leadership
a. Select an adult leader who will take training and serve as unit leader.

b. Assure permanency of the unit by selecting, with the approval of the unit leader, one or more assistants.

c. Assume direction upon inability of the unit leader to serve.

4. Finance
Maintain adequate financial records and develop money earning projects for Scouts to earn uniforms and equipment.

A few questions: How many of our institutional representatives go to the committee meetings of their units? How many go to the District Committee meetings? How many of the committee men are appointed by the sponsor? How often does the Scoutmaster, Cubmaster, or Explorer Advisor have to recruit a committee when it comes time for the unit to re-register?

In a sense the Boy Scouts of America and the Sponsoring Institutions are partners in this program with each providing certain things. The Sponsor provides a meeting place and the BSA provides a program. The Sponsor provides leaders and the BSA

provides leadership training. The Sponsor assures the boys a year-round camping program and the BSA provides camping facilities. When are these training courses available? What program helps are available? What camping facilities are available? Ask your institutional representative, he gets all this information at the monthly District Committee meetings.

Rules of Bridge Tournament

1. The tournament will be played between teams of two partners each. These can be husband and wife, two women, two men, etc. Each participant will be allowed to enter on one team only.
2. The entrance fee is \$5.00 per team. The entry fee and official entry blank must be turned in to the Antioch News office or committee members, Dr. Fred Bobzien, Howard Shepard, or Elmer Eberman by 5 p.m. March 11.
3. The first round of the tournament will begin on Monday, March 14th, 1966.
4. Teams will be put in groups. Each team will play the other teams in the group (one team each week). The team of each group which has the highest point score total for the matches will advance to a championship elimination tournament. The team having the second highest point score will go to a consolation elimination tournament.
- Matches in the elimination tournament will be played at the rate of one per week.
5. Games in each round are to be played between 8 a.m. Monday and 8 a.m. the following Monday. A week will be allowed for each round with winners progressing to the following rounds. All scores must be in the hands of the committee or The Antioch News by noon on the following Thursday.
6. Groups of opponents will be selected by lot. Opponents will be listed in The Antioch News window and will also be notified by phone.
7. Opponents should arrange between themselves as to the time and place of their match. This may be in their homes or elsewhere.
8. Each match will consist of 18 consecutive hands.
9. There may be only one re-deal (after 4 passes) in the 18 hands. If all players pass a second time, the hand will be played as an open no trump, i.e., all hands are concealed (no dummy), party to left of dealer leads, and play continues as usual. Score is won by team taking most tricks in that hand and scored as 1 no trump below the line. All overtricks are scored above the line.
10. All hands must be played out. NO LAYDOWNS.
11. All conventional bridge rules apply. In case of dispute, these are to be referred to committee, whose decision will be final.
12. Conventional bridge scoring applies. If at the end of 18 hands a team has a game on the rubber uncompleted, they are given 300 points for this.
- Each team should keep score. Scores must be turned in with all four players signing same. No score will be changed for any reason after they are turned in.
13. If a team is unable to play their round in the week allowed, they forfeit the match to their opponents.
14. All players must be residents of Antioch, Lake Villa, Salem or Trevor Townships.
15. If a partner is ill, a player may choose a substitute not already entered in the tournament. Committee member must be notified in advance.
16. It is anticipated that the tournament will end some time in April, depending on the number of teams entered. Finals will be played between the two remaining teams in the Championship and Consolation rounds. Time and place will be announced later. This will be open to the public as spectators this year.
17. A handsome trophy will be awarded the first and second place winners in the Championship round, and an engraved plaque to the winners of the Consolation round. These will be awarded at an early meeting of the Antioch Lions Club. Winners are invited to be the Lions' guests for dinner on that night.
18. During play no bidding guides may be used. Partners should not discuss hands during bidding or playing of hands. Good sportsmanship leads to a more enjoyable time for all.

There will be a tour of the campus with each guest escorted by a college brother or sister on a one-to-one basis which will be continued throughout the weekend. After dinner Saturday evening, there will be a folk sing. Sunday morning will be free time for church attendance and visiting. After dinner in Commons, Dr. William Graham Cole, president, will speak at 1:45 p.m. in Commons ABC.

Weekend guests to the campus are urged: "Bring musical instruments, national costumes or whatever. You are more than welcome to join in the entertainment Saturday night."

Husband (arriving home late): "Can you guess where I've been?" Wife: "I can, but go on with your story."

Cub Pack 192 Has Blue & Gold Dinner

Cub Scout Pack 192 held its Blue and Gold Dinner Saturday, Feb. 19, at the Methodist Church Hall.

The flag ceremony was presented by the Webelos with Gordon Sillanoff and Frank Nevitt as color guards. The hall was decorated in Blue and Gold with table decorations of hat, log and hatchets in keeping with George Washington's birthday and the theme of the month, "Strong for America." The decorating and planning for the dinner was done by Mr. and Mrs. Ken Smouse, Mr. and Mrs. Shirley Robinson of the Blue and Gold Committee.

The dinner was served by Scouts Don Edwards, Rick Berger, William Hagstrom, Greg Benning and Bob Kennedy of Troop 92.

Mrs. Elsie Hoekstra and Mrs. Helen Burnette cooked the roast beef dinner.

After dinner Cubmaster Hellstern and Mr. Gordon DeBoer presented awards.

Mr. Richard Koenig of the State Bank of Antioch, institutional representative, received the 1966 charter.

Robert Miller received a Wolf badge. Dave Edwards and Bill Petty received a Wolf badge and a gold arrow. Jeff Schmidt received a gold arrow and Tommy Irving, John Mehlhorn and Greg Kennedy received silver arrows.

Jim Fischer received a Bear silver arrow and a Lion badge. Bill Carter earned a Lion silver arrow.

Greg Kennedy earned a denner stripe and Leonard Benning, asst. denner stripes.

Year pins went to Lee Haydon and Jim Kuenhold. A "Go Round Up" patch went to Larry Ketterman.

Cubmaster Hellstern presented den mothers Jackie Kennedy and Ruth Renfro and reporter Jean Irving with awards for their services to Pack 192.

Den Mother Betty Christensen and Chairman Gordon DeBoer received special awards for services to the pack. Mrs. Christensen has been a den mother for six years. She attends as many committee meetings as possible to offer help and assistance to all. She puts the window display in Barnstable's store window each year for Scout Week, helps organize

Seek Teachers For Overseas

Congressman Robert McClory (R-Lake Bluff) has announced that the Department of Defense is seeking school teachers for overseas positions in the Dependents Schools Program. Qualified school and secondary teachers, counselors, librarians and school administrators are needed.

Since 1946 the Armed Services have operated schools overseas for the dependents of military and civilian personnel assigned abroad. Presently the Defense Department operates schools in about 29 different areas of Europe, Asia and Africa as well as in the American hemisphere.

Applicants must be citizens of the United States, 21 years of age by August 1, possess a bachelor's degree from an accredited institution and have not less than 2 years (4 semesters) of successful full-time professional employment as a teacher, counselor, librarian or school administrator.

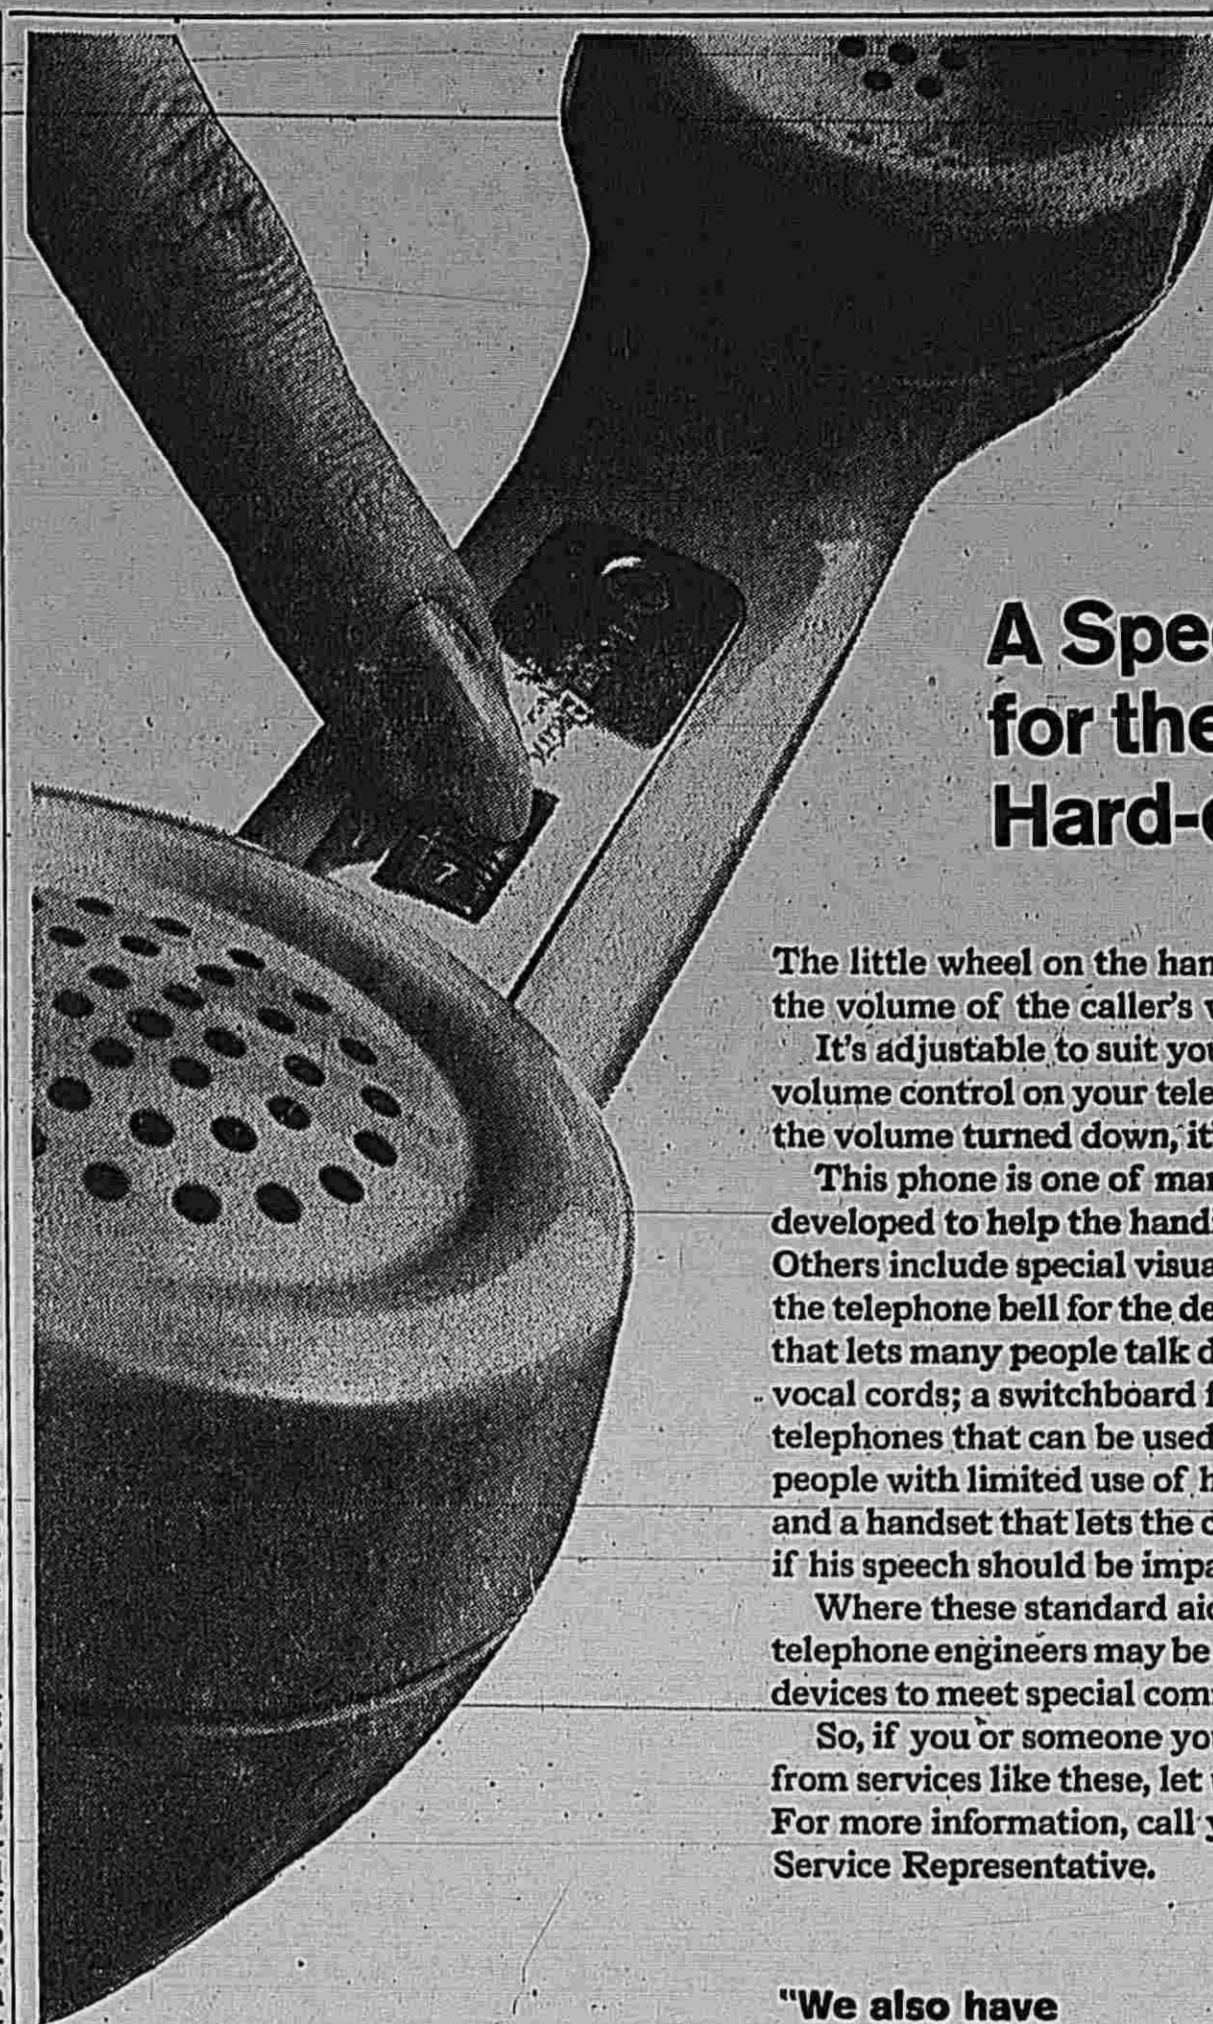

Application should be submitted not later than March 1 as most positions will be filled and the selected candidates notified by the end of May. Selected candidates must be available for travel any time after Aug. 1, 1966. Detailed information may be obtained by writing to Congressman Robert McClory 1123 Longworth House Office Building, Washington, D. C. 20515.

outings and parades. She is always ready to help her Cubbers or their families.

Mr. DeBoer has served as Den Dad, and has been chairman for the past several years. He has given much of his time and assistance to Cub Scouting. Mr. DeBoer made award boards for each den. He built a race track for the pine wood derby and a rack for the sack derby. He assists Cub Master Hellstern at the monthly pack meeting.

In March the Cub Scouts will be making shields in their dens and working on genius kits at home.

At the close of the dinner and meeting Mr. Smouse showed a movie on Boy Scouting and Boy Scout activities.

A Special Phone for the Hard-of-Hearing

The little wheel on the handset lets you turn up the volume of the caller's voice.

It's adjustable to suit your needs—just like the volume control on your television set. With the volume turned down, it's a regular phone.

This phone is one of many services we've developed to help the handicapped communicate. Others include special visual signals to replace the telephone bell for the deaf; an electronic larynx that lets many people talk despite impaired vocal cords; a switchboard for blind operators; telephones that can be used without being held, for people with limited use of hands and arms; and a handset that lets the caller amplify his voice if his speech should be impaired.

Where these standard aids are not the answer, telephone engineers may be able to design and build devices to meet special communications needs.

So, if you or someone you know could benefit from services like these, let us help. For more information, call your Illinois Bell Service Representative.

"We also have other services to help handicapped people communicate."

Meeting as luncheon guests of Mrs. Adeline Geor-Karis Lambros, Zion, to complete plans for the March 4th "Women in Government" luncheon at Long Grove Country Club are: (l to r) Mrs. John Wawirka, State Central Committeewoman and co-sponsor of the planned

event; Mrs. W. C. Petty of Antioch; Mrs. Lambros, president of the 12th Congressional District Women's Republican Club, which is also co-sponsoring the event; Mrs. Robert Schroeder; and Mrs. Richard Reed, Republican Chairwoman for Lake County.

Gail Frasier Weds Thomas Dever

The Antioch Methodist Church was the setting for the January 22 marriage of Miss Gail Frasier and Thomas Dever, son of Cassel Dever and the late Bernice Dever of Waukegan. The Rev. Donald Cobb officiated at the 1:00 p.m. service.

Miss Frasier, the daughter of Mr. and Mrs. Roy W. Frasier of Bluff Lake, was escorted to the altar by her father. The bride wore a street length dress of white brocade. A short veil was held in place by a crown of

pearls. She carried roses, carnations and hyacinths.

Miss Carol Frasier, sister of the bride, wore a green velvet dress and carried yellow roses and spider mums. David Dever, brother of the groom, served as best man, while Gerald Wilson and Larry Kamerad served as ushers.

Following the ceremony, a reception was held in Wesley Hall.

The couple will be residing in Creston, Illinois, following a week's honeymoon.

American Legion Auxiliary News

By Del Jahneke

Mrs. Ray Rathmann, Antioch American Legion Auxiliary Unit president, Mrs. Walter Hills, Mrs. Edward Jahneke, Mrs. Joseph Horton, and Mrs. Lester Zitkus attended the 10th District Auxiliary meeting in Mundelein Legion Home February 15.

They heard some very fine speeches that evening, notably that of Mrs. Fred Willrett, Chicago, Department (state) President of Illinois; and the "Americanism" talk of Mrs. Albert Dorn, Mundelein, Department Americanism chairman.

Among other topics, Mrs. Willrett stressed the fact that although the American Legion and Auxiliary must continue to support the Illinois Sailors' and Soldiers' Children's School at Normal, there is a great need for the physically and mentally handicapped children at Lincoln State School.

The state president's "special project" for this year is to purchase as many hearing aids as possible for the partially and completely deaf children. All units are requested to contribute to this special fund.

Mrs. Dorn's talk touched on some of the highlights of her recent trip to Washington, D. C. as a delegate to the Woman's Forum on National Security. During her three day stay there, Mrs. Dorn and Mrs. Albert Engler, Mundelein, Department President of the Amvets Auxiliary, had a 15 minute taped talk with U. S. Representative Robert McClory, Lake Bluff. This talk has already been broadcast on Radio Station WEEF, the Highland Park Station, on Feb. 19, and on the Crystal Lake Station WCLR on Feb. 20. Excerpts from this taped recording will be heard at various times on the Waukegan Station WKRS.

Mrs. Dorn also spoke of her impressions of a tour of the White House, Arlington Cemetery and the changing of the guards at the Tomb of the Unknowns of World Wars I and II and the Korean Conflict and of seeing the late President Kennedy's grave, the Washington Monument and the huge statues Lincoln and the raising of the American Flag at Iwo Jima. When she concluded her talk, the audience gave her a standing ovation.

Mrs. Lewis Johnson, Zion, District Director, appointed Mrs. Ray Suzzi, Highwood, as

chairman of the nominating committee, with Mrs. Jahneke, Mrs. Robert Kapheim, North Chicago, Mrs. S. M. Hayes, Waukegan, and Mrs. Carroll Porteous, Mundelein, delegates there.

Mrs. Herbert Gleason, Libertyville, announced that 10th District has 92% of their membership in. The Antioch Unit lacks only 5 members of being 100% in membership. Any eligible wife, of an American Legionnaire; or a deceased veteran; or of a veteran killed in service (a Gold Star member; or an honorably discharged service woman of World Wars I and II and the Korean Conflict; is extended a most cordial invitation to join this organization, and participate in its many worthwhile programs. Please contact Mrs. Walter Hills, Membership chairman, or Mrs. R. Rathmann, President.

LAKESIDE REBEKAH LODGE NO. 82

By Del Jahneke

At the Feb. 16 meeting of the Lakeside Rebekah Lodge, the members honored the memory of Thomas Wildey, Founder of the I.O.O.F. in America. The Independent Order of Odd Fellows was brought here from England in 1819, and the first American Lodge was organized at that time.

At this meeting, they donated to the Rebekah Educational Foundation Fund. Any deserving and qualified student who wishes to further their education in either college or vocational institutions has an opportunity to do so, through the Educational Fund. This is not restricted to just sons and daughters of Rebekahs and IOOF members, but is open to any and all qualified students. When their higher education is completed, they may repay this loan in 10 low sums, or in whatever way is most convenient for them.

The Lodge will honor the memory of Schuyler Colfax, who founded the Order of Rebekahs in the United States in 1851, at their next meeting on March 2, to be held at the Antioch-American Legion Home, at 8:00 p.m. Mrs. Arland Clark, Noble Grand, will be the presiding officer.

Square Dancers Set Jamboree Date

Sunday, February 6, has been selected by the Lake Promenaders for their annual jamboree. Dancing will be from 2 to 5 p.m. in the Grayslake High School cafeteria.

Special callers for the event will be Russ Bone, Ed Hemple, and Jim Smith. Lenny Ross, the regular club caller will act as M.C. for the afternoon.

Plans also include an after-dance dinner at the Renwood Country Club. Reservations may be made by calling Don Jorgensen of Grayslake or Jerry Crichton of Lake Villa.

Women Show Hobbies At Club Meeting

Members of the Antioch Woman's Club displayed their hobbies at the February 21 meeting of the club. The ladies were introduced by Mrs. Frank Benes and Mrs. Richard Elliston.

Marilyn Bennecke, winner of last year's Art Scholarship, showed some of her work. Conservation Scholarship winner Bob Beese told of his trip to Northern Illinois University. Beatriz Eugenia Munoz - Castro, American Field Service student attending Antioch High School, sang a Spanish song with her American sister, Sue Turner.

Members of the Woman's Club plan to attend the Flower Show at McCormick Place March 21. Reservations may be made by calling Mrs. J. Patrovsky at 395-3953.

The hostess committee for the afternoon was Mesdames Robert C. Wilton, Morris Pickus, Charles Solar, M. J. Connell, Bernard Osmond, Lester Osmond, Sr., Joseph Patrovsky and Lewis Patlin.

Jean Kathleen Stanczyk

Engaged

Mr. and Mrs. Frank Stanczyk of 1220 Cedar Lake Rd., Lake Villa, announce the forthcoming marriage of their daughter, Jean Kathleen, to Daniel Fredricks, son of Mr. and Mrs. Richard Fredricks of Ingleside.

Miss Stanczyk is a graduate of Grant High School and is now employed at Culligan, Inc. Her fiancé is an apprentice carpenter employed with Fredricks Construction Co.

A May 21st wedding is planned.

W.S.C.S. to Hear About Rhodesia

The Women's Society of Christian Service will have their monthly meeting at Wesley Hall at 12:30 p.m. Wednesday, March 2.

The Rev. and Mrs. Louis Hillendahl of the Ingleside Methodist Church will tell about Rhodesia, where they spent four years. The Hillendahs will display slides and exhibits to supplement their talk.

The Martha Circle is hostess for the meeting. Mrs. Samuel Ries and Mrs. Roy Kaufel are co-hostesses.

HOSPITAL NOTES

Dr. John Vermeren, president of the Antioch Savings and Loan, entered Ravenswood Hospital Monday night for tests.

Robert J. Wilton, of Wilton Electric Shop, entered Victory Memorial Hospital Sunday, where he underwent surgery Wednesday. His room number is 473.

Rescue Squad Wives Honored

The wives of Lake Villa
Rescue Squad workers were
honored at a smorgasbord
supper last Wednesday eve-
ning at the VFW home in
Lake Villa, by the Rescue
Squad Builders. Close to 100
ladies attended, not counting
the special guests.

Al Smith, vice president,
thanked the ladies for their
help in the drive to raise
\$12,000 to build a home for the
Rescue Squad equipment.
He said they had more than
they hoped for, and now were
negotiating to purchase a
piece of land in Lake Villa,
preferably on Rte. 83 near
Rte. 132.

Olsen's of Grayslake pre-
sented a fashion show and

Wins DAR Good Citizens Award

Carol Nielsen, daughter of
Mr. and Mrs. Lyle Nielsen,
was the winner of the DAR

Only Senior girls were
eligible to enter the contest.
Qualifications for the award
are dependability, service and
leadership. Winners are
chosen by faculty vote.

Extra weight in the trunk

For several weeks we have
been announcing the upcom-
ing children's play, "Flibber-
tygibbet," which will be
given at the P.M. & L. Theatre
at 2 p.m. on March 5, 6, 12,
and 13.

This week we'd like our
readers to become better ac-
quainted with this husband-
wife team which is such an
integral part of the produc-
tion. Valerie Hunley is di-
recting the fantasy and Joe
Hunley is taking the part of
Gavin. This couple has been
a very important part of P.
M. & L. ever since they
joined several years ago.

Joe was born in Wyoming.
At 19 he began his theatri-
cal career in a stock company
traveling the Cape Cod Cir-
cuit in Massachusetts. His
career was interrupted by
Uncle Sam, and he was sent
to Germany to do shows for
the service men during the
second World War. After the
war, Joe went to Colorado
and into business in the field
of Oil Equipment Marketing.
But the smell of grease paint
still beckoned, and Joe came
to Chicago and received his
B.F.A. Degree at the Good-
man Theatre in 1950. There
he met Valerie McElroy who
was also studying for her de-
gree at Goodman.

After graduation they went
to New York where Valerie
appeared in several plays.

Pack 300 Has Blue And Gold Dinner

CUB SCOUTS CELEBRATE BIRTHDAY

The Blue & Gold Dinner
for Pack 300 was held Sunday
Feb. 13 at St. Peter's school.
The dinner was well attended
by parents and Cub Scouts.

A new Cub Scout, Tommy
Hart, was welcomed into the
troop. A Bobcat pin was pre-
sented to Tommy by Cub-
master Hank Lytle.

The following awards were
also presented:

Phillip Sunich, Bear badge,
Denner stripe and 1-year
pin; Bradley Fox—1-year pin
and 4 Gold arrows; Ray Bazin-
ski—1 Gold arrow and As-
sistant Denner stripe; Cy
Werda—Round-up badge and
Wolf badge. The following
boys received their Wolf
badges: Tim Nolan, John
Teisling and James Morgan.

Year pins were presented
to: Jim Hansen, George
Davis, Mike Butowski, and
Bob Hunt.

Arthur Verkest and Mike
Lytle were presented with
their Lion badge. This is the
highest rank a cub scout can
go before he is promoted to
Webelos.

The guests of honor were
introduced by Mr. Lytle. The
Holy Name Society of St.
Peter's (which sponsors the
pack) were represented by
Mr. and Mrs. Charles Geist
and Mr. and Mrs. Henry
Apostol. Father Henderson
and Father Hanley were also
honored guests.

The new officers of the
Pack were introduced along
with the Den Mothers. Russ
Meyer was given a large
Thank You for serving as
Treasurer the past year. This
position is still unoccupied,
and any father of a scout is
eligible for the position.

The afternoon was con-
cluded by songs sung by the
young Cub Scouts. These
acts were followed by a visit
from the famous Antioch
Moose Clowns.

Sequoits End Season With 3rd Place Tie

Antioch locked up a tie for third place in the Northwest Suburban conference with Lake Forest Friday night by dumping Wauconda 64-41 on the loser's court.

It took a 31 point burst in the final period to discourage the upset-minded Bulldogs as they trailed the Sequoits at halftime by only four points 18-14. The score at the end of three periods was 33-20 when the Sequoits went on their scoring binge.

The Sequoits got some good work from a couple of reserves as Bob Schenk topped all scorers with 19 points, 12 of them in the final period. Pat Sheehan tallied 9 points.

Mike Sterbenz got praise for his all-around good play and added 15 points for himself. Kurt Kampendahl led for the losers with 12 points. They Played Well.

The Sequoits played what coach Roger Andrews termed their best game this season Saturday but still lost to a sharp North Chicago quint 64-53.

North Chicago, winner of the North Suburban Conference, scored 11 straight points late in the final period as the Sequoits went four minutes without scoring.

It was a nip and tuck battle up until the final minutes when the Sequoits couldn't find the range. Antioch trailed 16-15 at the end of the first period but came on in the second quarter to take a 29-26 lead.

The end of the third period found the Sequoits again trailing, this time by 44-42. The score remained close through the early part of the final stanza and a three point play by Mike Sterbenz gave the Sequoits the lead for the last time 51-50.

Trailing 53-51 with 4:02 left Antioch's Tyrone Walls scored what proved to be the Sequoits' final tally as North Chicago went on to score 11 straight points for the final 64-53 margin.

"It was a great team effort," Coach Roger Andrews said. "It was a well played game on the part of both teams. The boys played good hard aggressive defense the whole game and were really trying for an upset."

Tyrone Walls and Mike Sterbenz checked in with 18 points apiece and Rufus Woods of North Chicago led all scorers with 20. Walls turned in a fine floor game and also picked off 10 rebounds to lead in this department. He was followed by Bruce Empfield and Tom Blackman with 8 rebounds each.

Five seniors at Antioch played their last basketball game before a home crowd Saturday night as the North Chicago tilt closed out the regular season for the Sequoits. Regular starters, Tom Blackman and Mike Sterbenz will be sorely missed next year.

Sterbenz has been one of the Sequoits' leading scorers all season and Blackman has

Duck Shoot Next Sun.

A "Duck Shoot in February" is the bill of fare for shotguns with itchy trigger fingers. Sunday, February 7, at the McHenry Sportsmen's Club, located on the west shore of Pistakee Bay.

Succulent young Long Island ducklings are the targets and rewards for the scatter-horn enthusiasts who like to shoot all winter long, for the fun of it.

An inducement for novice gunners and not-so-hot shots to take home a fair share of the meat, the Club is initiating 3-prize novice shoots. In this form of competition two white birds are released from the trap at different times and the lucky shooters who break their get a prize, as does the one with the best score. This means that out of every five man squad there can be three winners. To prevent the hot shots from dominating these shoots, only non-winners will be eligible to participate in them.

All of the other regular contests will be staged, too, including Annie Oakley, Protection and Jack Rabbit shoots, as well as 10 and 25 shot practice rounds. For those who like a different menu, steaks, bacon, rock cornish hens and tender young fryers will also be on the bill, as well as shooting components for reloaders. Discount shooting rates for chickens are still in effect.

Following are the winners in last week's Jack Rabbit shoot. There were four ties for second place, and six ties for third place:

1st place—George Gaynor; 2nd, John Temple, Arvid Hamrick, J. Biff, and B. Schroeder; 3rd, Harry Stern, Wally Manz, Joe Lally, Ken Glass, L. Ames, Nels Quist; Long run: B. Schroeder, 9.

Twenty-five shooters participated. Shooting starts at 10 a.m. Floodlights will be turned on after dark. Hot refreshments and ammunition on tap in the warm club house all day. The club will hold another shoot like this one on Sunday, March 13.

Girl Picks Up "Impossible" Rail

Twelve-year-old Diane Vos made the "impossible" 7-10 rail bowling in the Antioch Bantam league last Saturday at the Antioch Bowl.

The 7-pin was knocked off the spot by Diane's first ball. A slow-rolling back-up ball thrown at the spare caught the 7-pin on the left side and slid it across the alley to knock down the ten pin.

The 7-10 rail is rarely picked up. Occasionally, a kick-back off the sideboard will throw the 7-pin across the alley to knock down the ten.

Singles Tourney Gets Off To Roaring Start

Antioch Men's Bowling Singles got off to a roaring start Sunday, with 254 hopeful bowlers trying for high scores and the \$500 first prize on the first day of the tournament. Owner Jack Sampayo commented that it was the best turnout they'd ever had for the first day.

Four local bowlers were the first on the alleys in the Singles tournament which started last Sunday. Left to right, George Schoenleben, Fred Safko, George Derer and Art Wertz.

Walls, Sterbenz All-Conference

Antioch's Tyrone Walls led the list of unanimous choices for All-Conference honors as the annual selections were announced this week. It is the second straight year that Walls has been named to the all-conference team. He was picked last year as a sophomore.

Other unanimous choices were Joe Pivonka of Grant, and Bill Robbins and Dick Filipowicz, both of Warren. The top six teams in the conference each faced two

of their team members on the elite list.

Mike Sterbenz, Antioch's senior forward, was also named to the team. Other picks included Sam Reimers, Grant, Jim Harkness, Lake Zurich, Bill Lehmann, Lake Zurich, Gary Bell, Round Lake, Warren Aldridge, Lake Forest, Mark Harju, Lake Forest, and Doug Hall, of Round Lake.

Raleigh, Galgan, Warren, and Dan Reed, Grayslake, were named honorable mention.

Soph Quint Takes Second Place In NW Conference

Antioch's soph quint got off to a slow start Friday night but then hurried on to a 65-57 win over Wauconda and second place in the Northwest Suburban Conference.

The Antioch preps led at the first quarter 15-11 and then held their opponents to only four points in the second period while they hit the nets for 16 points and a 31-15 half-time lead.

Wauconda staged a rally in the second half, outpointing the visiting Sequoits for the final two periods 42-34. The Sequoits' first-half margin proved to be too much, however, as they hung on for the win.

Steve Miklautsch led the

Sequoits in scoring with 18 points followed by Tony Barnett and Joel Strahan with 11 and 9, respectively. Anderson led for the losers and took game honors with 19 points.

Oh So Close. Saturday night the Sequoits came from behind and battled to a 49-49 tie for the regulation time only to lose in the three-minute overtime 58-54.

Antioch trailed at the first quarter 16-14 and 20-21 at halftime. The Sequoits staged their rally in the third period as they steadily closed the gap, scoring 16 points while holding the Warhawks to only seven counters.

The Sequoits could manage only five points in the

extra period while their North Suburban foes dumped in 9 points to give the Antioch quint their third loss of the season. The Sequoits' other two losses came at the hands of Lake Forest.

Saturday's game closed out the regular season for Antioch's preps but the Sequoits are entered in a sophomore post season tourney at Mundelein.

The tournament is scheduled to start Saturday, March 5th, at Mundelein. The first game is set for 1:30 p.m. Semi-finals will be held Monday, March 7th, at 4:30 p.m., and the finals will be played Tuesday, March 8th, beginning also at 4:30. Pairings for the tourney will be announced next week.

THURSDAY, FEBRUARY 24, 1966 THE ANTIOCH NEWS 7

ANNOUNCEMENTS

CARD OF THANKS

St. Peter's Altar and Rosary Society would like to thank the Antioch News for the publicity in connection with the card party, held February 20th.

The wonderful success was due to the efforts of Chairman Mrs. Stanley Szymanski, Refreshment Chairman Mrs. Sam Lombardo, and the hard working ladies who served: Mrs. Vince Stonis, prizes; Mrs. Charles Solar, speaker; Mrs. Pat Schriber, tickets; Mrs. Johnson, name tags; and the many workers who donated time.

A special thank-you to all the merchants who donated prizes; the ladies who made all the delicious cakes and sandwiches.

Mrs. Stanley Szymanski (35c)

Bowling News

(continued from page 6)

The Antioch Bowl made a good effort (2710) winning two games from The Open Dood Tavern. Third place Helvetia Hotel was defeated two games by Cole's Tavern in spite of good scores by Capt. Lou Portalski 215-569 and Joe Pollaken 212-561.

Arnie Bolton 226-573, and "Wiggy" Bolton 217-569, led Norshore Resort to a pair of wins over Pat's Lounge.

The Red Arrow Tavern trounced Nielsen's Corners three games with fine performances from John Klecki, 216-577, Joe Muskat 202-572, and Capt. Herb Fox 208-554.

Dee Gae Lounge took a pair from last place Kempf's Tavern with Eddy Zaitz's 201-181-203-585, leading the way.

"Give—So More Will Live" is the slogan of the 1966 Heart Fund Campaign, which is being conducted nationally during February.

"Spot Light" Program To Be Activated

The "Spot Light" program will be activated again this summer.

The Lake County Safety Commission, at their February meeting, announced that county, state, and local law enforcement agencies will again be asked to cooperate in this program, designed to reduce the number of traffic

accidents on the county's highways.

The "Spot Light" program gained nationwide recognition when used in Lake County during the summers of 1962 and 1963.

The "Spot Light" operation focuses maximum enforcement at various trouble spots throughout the county.

Wisconsin Operates Youth Conservation Camp Program

The Youth Conservation Camps will again be operating in Wisconsin this summer, according to J. F. Holmes, Superintendent of the Youth Conservation Camp program.

There the three camps to provide gainful employment of young men in constructive conservation work projects. The camps are for young men between the ages of 16 and 19 years of age. Camps are located in Vilas, Washburn, and Marquette Counties.

Youths who qualify will be assigned to a camp for a six-week period, during the months of June, July and August.

The camps' schedule work projects on a five and half day per week basis. Half of the time is devoted to educational instruction which may include classroom training, field trips or demonstrations, with the balance of the time spent on conservation field work. Youths will be compensated at the rate of \$18 per week and room and board.

Interested youths should contact their high school principal or guidance counselor for further information and application blanks. Information can also be obtained at the County Extension office, 6537-39th Ave., Kenosha. Boys are urged to submit applications to the State Department of Public Welfare by the end of February.

HOW ARE YOUR BRAKES?

Good brakes are important in any driving. In bad weather driving they are vital! Remember, good tire treads can keep you from having that bad weather smashup. Smooth tires are dangerous at any time, but they can be deadly on slippery roads.

Boys & Girls Get Chance To Study Cars

An invitation is extended to all youth in Lake County to join the Automotive project unit in the county 4-H program. Any youth 14 years of age and not over 18 as of January 1, 1966 is eligible to enroll, states Farm Adviser Ray T. Nichols. The 4-H automotive project is open to all youth of eligible age irrespective of whether they live in town or in the country.

Youth not presently enrolled in a 4-H club are eligible to join the Automotive project group by filling out a regular 4-H enrollment card available from any of the local club leaders or from the Farm Adviser's office on the Lake County Fairgrounds, Grayslake, Illinois.

The 4-H Automotive project offers an opportunity to the hundreds of boys and girls not taking part in driver training courses in high schools to learn some of the basic principles about car care and safety.

Topics to be covered in the 4-H Automotive project this year include highway safety, what makes a car go and stop, the engine and how it operates, car care, car costs and record keeping, the traffic code and driver responsibilities, and safety inspection.

Young people desiring to enroll in the Automotive project should contact the office of the Lake County Farm Adviser, P. O. Box 267, Grayslake, Illinois.

Salem Community Club To Meet

Salem Central Community Club will meet on Monday, February 28 at 8 p.m. Winners of the local forensics contest will present the program.

The public is invited to attend. Refreshments will be served after the program.

Shrine Circus Starts March 11

The 24th annual Medinah Shrine Circus will start Friday, March 11, at Medinah Temple this year.

A feature of the circus will be an animal act by Miss Eloise Berchtold, one of the few women in the world ever to attempt the hazardous career of wild animal training. Miss Berchtold presents an act mixing animals naturally antagonistic to one another, literally taking her life in her hands every time she sets foot in the cage. Lions and tigers, Russian Brown bears and horses and sheep, natural prey of the other species, all perform at the same time. Aerialists, chimpanzees, and numerous other acts combine to make this year's Medinah Shrine Circus an all-time high in entertainment.

CHRISTIAN SCIENCE CHURCHES

Luke's reverent account of the divine origin of Jesus is the opening theme of the service in Christian Science churches this Sunday on the subject: "Christ Jesus." The Lesson - Sermon continues with Mark's record of Jesus' baptism in the river Jordan when "the heavens opened, and the Spirit like a dove descending upon him: And there came a voice from heaven, saying, Thou art my beloved Son, in whom I am well pleased." And it culminates in John's powerful rhetorical question: "Who is he that overcometh the world, but he that believeth that Jesus is the Son of God?"

Explaining the continued importance of these words to humanity, are passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following: "An apostle says that the Son of God (Christ) came to 'destroy the works of the devil.' We should follow our divine Exemplar, and seek the destruction of all evil works, error and disease included. . . . Those who slew him to stay his influence perpetuated and extended it. . . . The persecutors had failed to hide immortal Truth and Love in a sepulchre."

CHEVY PICKUPS RIDE SMOOTHLY

... A BIG REASON WHY THEY'RE LIKED BEST!

Smooth ride is one big reason why Chevy is America's most popular pickup. You get true independent front suspension; front wheels that step lightly over bumps. And most models provide big coil springs at all four wheels to soak up the jolts. You get a ride that's ideal for camper duty as well as work... a tough suspension proved over the past 5 years on rugged jobs. Try a smooth-riding 1966 pickup at your Chevrolet dealer's.
